SISU SKI FEST SCHOLARSHIP ANNOUNCED

Ironwood, Michigan – SISU Ski Fest is pleased to announce a new \$750 scholarship for a student-athlete on the Gogebic Community College Nordic Ski Team.

If you've ever cross-country skied in the SISU Ski Fest marathons or Taste-N-Tour, you've helped contribute to this new scholarship. Thanks to your support, you've helped us give a promising student a scholarship at Gogebic Community College.

A student-athlete will be selected by Will Andresen, Coach, for the GCC Nordic Ski Team. According to Will Andresen, the GCC Nordic Ski Team may be a perfect fit for student skiers passionate about the sport and wanting to spend more time on snow to meet their skiing goals.

Successful applicants for the SISU Ski Fest scholarship will be Gogebic Community College full-time, student-athletes on the GCC Nordic Ski Team.

The 3rd Annual SISU Ski Fest will be held Jan. 13-14, 2012.

Visit www.sisuskifest.com for more information or to register and also become a volunteer.
