SISU Ski Fest
PO Box 333
Ironwood, MI 49938

Dear Members of SISU Ski Fest,

Thank you for your gift to support our students, and specifically the Sampsons Outfitter. The Sampsons Outfitter is located at our Welcome Desk in the David G. Lindquist Student and Conference Center on the Ironwood campus. Initiated by a staff member and initially funded through a mini-grant by the GCC Foundation, the Sampsons Outfitter provides outdoor gear that our students can check out for free, and use it to explore our area. Camping gear including tents, backpacks, cookware and more, paddle boards, disc golf sets, and games are just a few of the options available for students to utilize. And now thanks to your generosity, we were able to purchase two mountain bikes that will be available for student use!

Thank you for helping our students see what our beautiful area has to offer and possibly live and thrive after graduation.

With appreciation,

Kelly Marczak
Foundation Director

This is your receipt for your gift check #2011 in the amount of \$1,000.00.

In compliance with IRS Code Section 170(f)(8), this letter also serves as verification that you received no goods or services from Gogebic Community College or its Foundation for your gift.
